Part Category: Forgings/Stamping/Soft Trim/Casting iron/Plastic part/Hard trim/Casting aluminium/Rubber/Electrical/Other

Forgings	casting iron	casting alumin(i)um
Stamping	Plastic part	Rubber
Soft trim	Hard Trim	Electrical
	Other	

Part Description: The Industry Capability Network (ICN) is requesting information from companies on their capabilities in the areas listed above for the Victorian government activity, 'The Submarine Project'.

Extended Description: The information collected will assist the Victorian government to develop programs and policies to help position Victorian companies to win work from the Collins Class Submarine Remediation, Service Life Extension and Future Submarine programs.

The information will be collected by survey and will take 5-15 minutes to complete. Companies are invited to complete responses by 14 July 2012. This survey is anonymous and voluntary and all information collected will be kept private and confidential. The Survey link is: <https://www.surveymonkey.com/s/YNJ5DHF>.
