

## Initial notification of potential sourcing opportunity

**Component:** Electronics

**Part Category:**

Forgings	casting iron	casting alumin(i)um
Stamping	Plastic part	Rubber
Soft trim	Hard Trim	<b>Electrical</b>
	Other	

**Part Description:** Electronic components - controllers, inverters and relays.

**Extended Description:** Organisation owners vision is to convert the public transport system of the Philippines into electric vehicles. Decision-driver - Company sources electronic parts from China, Taiwan and Korea currently but it is not satisfied with the quality of the parts sourced from the low cost countries. Hence, they are looking for better quality parts even if the price is higher. Financial - letter of credit in US\$, FOB. Vehicles are assembled in Philippines.
